SimSafety

SimSafety Testing Workshop

To Access the Game, Get an account and Log in:

- Enter the SimSafety Portal (<http://www.simsafety.eu>)
- Click on the SimSafety Game Entrance Link on the main menu. Alternatively visit the WebSite <http://simsafety-avatar.cti.gr/?q=welcome>

Picture 1: The SimSafety Game Site

- Download the SimSafety Client. A short Cut should appear in your desktop. This is where you are going to Log In to get into the SimSafety Game.
- Open the SimSafety Client (find a shortcut in your desktop) and sign in using the same account you are using in the SimSafety portal.
- If you would like to create a new avatar, you can do so through the SimSafety Game Site from where you also downloaded the Client. As soon as you apply, please let us know.

The SimSafety Game:

It's up to you to protect yourself while surfing the Internet! Visit the SimSafety Flight Simulator to find out about possible risks and how to deal with them. Follow these missions and monitor your scores all the time to find out key issues about Internet Safety:

Mission 1: Learn how to navigate in – world

Some Hints:

- Take a look around, read signs, experiment
- Learn how to navigate inside the Online Environment and decide whether you are going to follow the tutorial or not
- Follow the Instructions to go to the SimSafety Park
- Try flying around

Picture 2: The "Welcome Point" from where you can "teleport" to different areas inside SimSafety

Picture 3: The SimSafety Park from up above

Mission 2: Visit the world and the house of knowledge. Find out what you should be aware of when you navigate the Internet

Some Hints:

- Try to find the House of Knowledge
- Visit the different Sections of the House of Knowledge to see what is there
- Wait for a few minutes until you read the signs in the House of Knowledge
- Information retrieved from the House of Knowledge may be useful in different sections of the Game

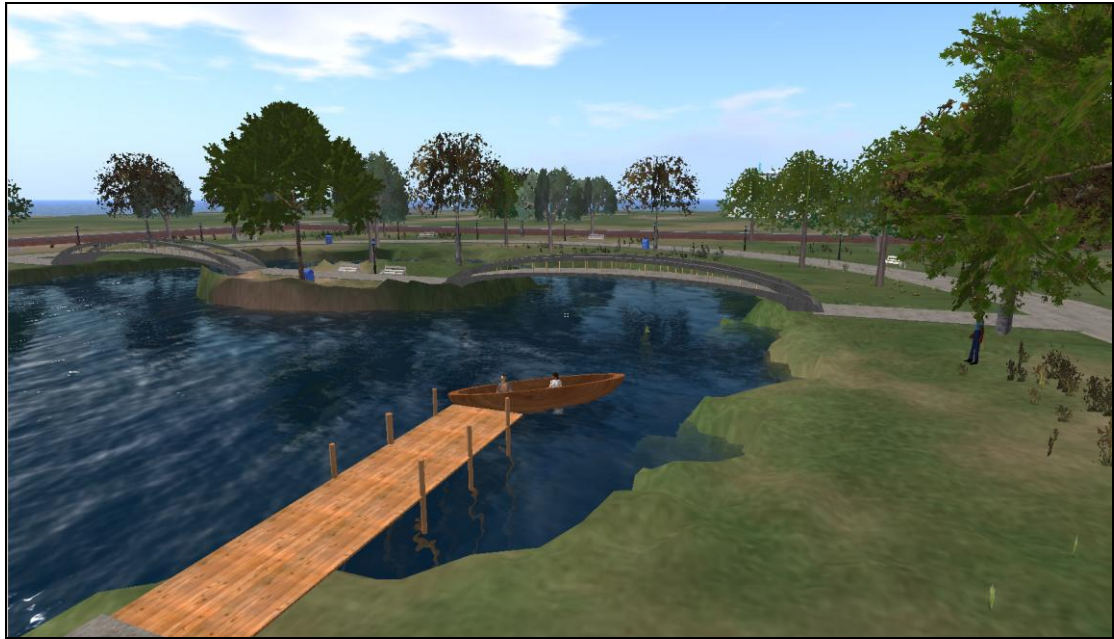

Picture 4: The SimSafety House of Knowledge is Called "Info Center"

Mission 3: Meet new people, make new friends minding the rules you have found out in the house of knowledge

Some Hints:

- Keep in mind what you learned in the House of Knowledge each time you make new friends in the game
- Make Friends in the Game by right clicking on an avatar and asking from it to be your friend

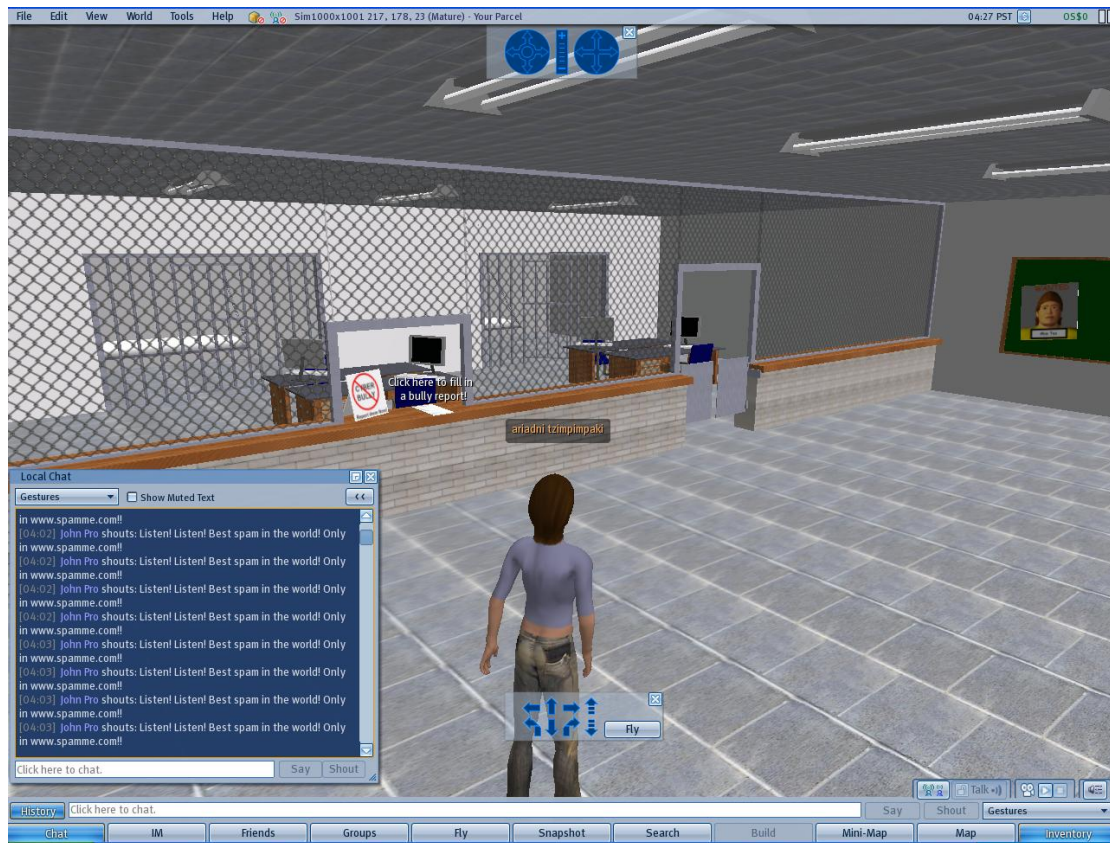

Picture 5: Two people in a boat inside the SimSafety Park

Mission 4: Have you been bullied yet? Follow the reporting procedure

Some Hints:

- How do you recognize that you have been bullied? Check for Instant Message Notification at the bottom corner on your left
- You may get bullying messages, spam messages, advertisement that you do not wish to receive. In that case, you have to react and increase your score.
- Report bullying in the Bullying Reporting Department. Find the “Bullying Reporting Department”, open the door, enter the building and fill in a bully report.

Picture 6: The Bullying Reporting Department

Mission 5: Change your clothes. Select something nice to wear. Play an interactive game

Some Hints:

- It is time for you to have some fun. Visit the “Mall” area (it is next to the “Bullying Reporting Department”) and select something nice to wear.
- There are instructions in there that you can follow in order to change your clothes.

Mission 6: Visit the Hall of Fame regularly (through the registration form) to check your score (you will find out that there are a few different scores. Try to understand why your different scores are low or hi by discussing it with your colleagues) and the score of the players who score the highest scores. Interview other players who have higher scores than you to find out how they managed to get it. You can use the message area in the SimSafety “Entrance” website (<http://simsafety-avatar.cti.gr/>) to discuss with other players.

Mission 7: There are 4 Quiz points in SimSafety (locate them in the Info Centre, the report centre and the park). Try answering some of the questions (score at least 4 points).

Mission 8: Try to return to the welcome region by teleporting (you can search for the welcome region in the map).
